"Please note that scores give you *insight* into the puppy's personality. It is imperative you work with your breeder for guidance concerning specific puppies. It is not feasible to factor in all variables of a pup's temperament in one aptitude test; nonetheless, this report does provide you a solid understanding of temperament and how that may correspond to your specific needs. It is our mission to give each puppy a voice in their placement *empowering* you to make a powerful and magical match!"

Notes

Ashlyn is a gentle and sweet girl, she enjoys snuggling and being close to us. She does enjoy playing but isn't overly driven for toys/prey. Ashlyn is polite in her approach and naturally cautious of new things although she rebounds quickly in stressful situations and investigates. She seeks reassurance and encouragement from the tester and works to build the connection. She is overall a middle of the road pup, she is not overly playful but also has an independent side. Ashlyn will do well in a household looking for a laidback girl to spend time with, explore and snuggle.

Notes

Barbie is a gentle girl, she is polite in approach. Barbie is curious and confident, she enjoys understanding the challenges of the test and does well with the obstacles. Barbie definitely has the goofy bernese side and makes us laugh. She's docile and tolerant of touch. She is always one of the first to greet us. She is a sweetie and biggest in the group. Barbie would make a great addition to most families as she is well rounded and adjusts well and quickly in new environments and situations. If you're hoping for a sweet, loving girl who will play fetch and give you lots of cuddles, Barbie is your girl.

Notes

Chelsea is a sweet and polite girl. She is gentle natured and can take a little more time to fully warm up and be comfortable in new situations. She has a curious side and does explore throughout the test showing confidence. She did well throughout the stressful situations and recovered quickly. Chelsea is not overly interested in chasing toys but will investigate and play with them at times. She is on the independent side for a pup and will go off to do her own thing. She's a smart pup and has a sweet and playful side. Chelsea will do well in a home that wants a laidback pup who will spend time lounging around but will also help her to continue to build her confidence and go out and explore new things as she grows.

Notes

Ken the only male in the group is sure to be sweet with all those sisters around. Ken is both social, well mannered and playful. He's a gentle guy who wants to please and build the bond with his people. Ken is tolerant of touch and shows minimal protest with any handling and honestly just loves to be close and cuddling. Ken is all about his people and is motivated to please and work for them but also loves their praise and affection. If your looking for a lover boy, Ken is your guy.

Notes

Malibu is a well rounded girl, she's so sweet, playful, social and outgoing. She gets her little burst of zoomies and playfulness but is also quick to greet us and snuggle into our laps. In the testing she did well with bouncing back in stressful/unfamiliar situations. She enjoys being around her people but also will go off on her own and explore. She is eager to please and curious to what we are asking of her in the testing. She will make a great pup for a family looking for a middle of the road dog that is playful, social, will enjoy learning and exploring but at the end of the day is ready to cuddle too.
